Everyday protection for active feet

The Silipos® Active range brings the same medical grade mineral oil gel used in Silipos clinical products to everyday comfort: walking, running, standing all day and sport.

Cushions

Soft gel absorbs pressure and impact on toes, heels, the ball of the foot and the ankle.

Protects

Gel moves with the skin to reduce friction and shear, helping to prevent corns, calluses and blisters.

Moisturises

Silipos gel slowly releases medical grade mineral oil that softens and conditions the skin.

Washable and reusable. Designed to fit inside everyday shoes, sports footwear, boots and sandals.

In this catalog

Toe & forefoot 3

Heel, arch & ball of foot 6

Ankle, sport & socks 7

Ordering through Isotoxal

Isotoxal is the Authorized Channel Partner of Silipos® in APAC, Africa & the Middle East. For price lists, samples, pack formats and registration documents, write to **partnership@isotoxal.com**.

Active Gel Corn Pads

Gel-lined fabric pads that slip over a toe to stop corns and blisters forming.

- Relieves pressure and friction
- Soothes and moisturises
- Latex free and hypoallergenic

Item # **7205**

Active Gel Toe Tubes

Fabric tubes fully lined with gel for all-round toe protection in any shoe.

- Prevents rubbing and blisters
- Soothes and moisturises
- Washable and reusable

Item # **7210**

Active All Gel Digital Cap

Soft all-gel cap that cushions a toe or fingertip from pressure and friction.

- Helps prevent corns and blisters
- Soothes and moisturises
- Fits most toes and fingers

Item # **7209**

Active Gel Toe Protector

A comfortable toe guard fully lined with Silipos gel that soothes skin irritated by ingrown toenails, blisters and corns, and supports jammed or sprained toes.

- Fits toes or fingers and can be cut to size
- Will not snag hosiery
- Washable and reusable
- Hypoallergenic, BPA and phthalate free

Item # **7206** One size, 1 per package

Made in USA

Active Toe Protector with Spreader

Gel-lined toe sleeve with a built-in spreader that cushions and separates toes.

- Relieves pressure and friction
- For corns and overlapping toes
- Soothes and moisturises

Item # **7211**

Active Gel Toe Separators

Helps prevent toes from rubbing together. The medical grade mineral oil gel comfortably divides and cushions toes to reduce pressure and friction.

- For crooked toes, overlapping toes and toe drift
- Divides and cushions toes
- Reduces pressure and friction

Item # **7208**

partnership@isotoxal.com

Active Gel Toe Spacers

Anatomically designed to fit comfortably between the big toe and the second toe.

- Suitable for most shoe types and sizes
- Washable and reusable

Item # **7207**

Active Sandal Toe Protector

Small, sleek toe protectors that reduce discomfort between the toes caused by sandals and flip flops.

- Cushions between the toes
- Relieves friction and pressure
- Designed for sandals and flip flops

Item # **7200**

Active Gel Splints

Ideal for buddy wrapping injured fingers or toes. The soft gel pad sits between the digits and avoids the discomfort of sticky tape.

- Velcro closure, easy to apply with one hand
- Worn under socks and in shoes
- Washable and reusable
- Hypoallergenic, BPA and phthalate free

Item # **7218** One size, 2 per package

Made in USA

Active Ball of Foot Cushions

Fabric-covered gel cushions that take pressure off the ball of the foot.

- Eases burning on long days
- Relieves pressure and friction
- Thin, fits most footwear

Item # **7215**

Active Heel Cushions

Tiny waves in the centre of the heel act like springs to absorb shock and relieve pain. The tapered design fits easily in shoes.

- Wave design absorbs shock
- Tapered to fit most shoes

Item # on request

Active Heel Spur Cushions

Helps relieve heel, ankle, knee and back pain associated with heel spurs. Wear without the heel plug to spread pressure around the spur, or with it for added cushioning.

- Removable heel plug
- Added cushioning and shock absorption

Item # on request

Active Plantar Fasciitis Arch Sleeve

Slip-on arch sleeve with massaging gel for heel and foot pain.

- For plantar fasciitis and heel spurs
- Wear with or without shoes
- Washable and reusable

Item # **7212** One size, 1 pair

partnership@isotoxal.com

Active Gel Bunion Sleeve

Thin gel pad that shields the bunion area from shoe pressure and rubbing.

- Thin, fits most shoes
- Fits left or right foot
- Washable and reusable

Item # **7213**

Active Gel Achilles Sleeve

Toeless sleeve with a gel pad that protects the Achilles area from shoe rub.

- For running shoes, boots and skates
- Soothes and moisturises
- Washable and reusable

Item # **7214**

Active Boot Bumper

Gel-padded sleeve that protects the foot and ankle inside boots and skates.

- Guards against abrasion
- For ski boots, skates and cleats
- Light compression

Item # **7201** **7202**

Active Lace Bite Protector

Anatomically designed with an oval gel pad that protects the top of the foot from pressure, friction and pinching from shoelaces.

- Oval gel pad over the top of the foot
- For skates, boots and laced footwear

Item # on request

Oval Lace Bite Protector

Sleeve with an oval gel pad for protection from shoelace pressure.

Item # **92846**

Full specifications on request

Active Diabetic Crew Sock

Single-layer sock with 1/16" gel throughout the sole that cushions, protects and reduces friction, shear and callus formation. Seamless toe and a non-restrictive cuff.

- Protection for the neuropathic foot
- Wear with or without diabetic shoes
- Washable and reusable
- Hypoallergenic, BPA and phthalate free

Item # **1710** White, US sock 9 to 11 **1711** White, US sock 11 to 13
1712 Black, US sock 9 to 11 **1713** Black, US sock 11 to 13
